COLLECTED DATA

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This is information that is not collected to be associated with identified interested parties, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes IP addresses or domain names of the computers used by users connecting to the site, the addresses in the Uniform Resource Identifier (URI) notation of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (success, error, etc.) and other parameters relating to the operating system and the user's computer environment.

MCT S.r.l. does not elaborate these categories of data, it does not make profiling or analysis of the navigation data, but the use, purely eventual, has only purposes of a technical nature.

CONTACT SECTION

The request for commercial or technical information forwarded through the contacts on the site, such as email addresses and telephone numbers, will allow MCT S.r.l. of

- acquire your common and contact data;
- any other information you provide in the text of the e-mails or in the requests sent to us.

SPONTANEOUS APPLICATION:

MCT S.r.l. does not have a section dedicated to the collection of CVs aimed at recruiting. How-

ever, the possible sending of CVs for spontaneous application to the addresses indicated on the website, will be treated as follows:

The personal data provided, such as common and contact data (name, surname, e-mail, telephone number) and personal data relating to the content of your Curriculum Vitae (domicile, residence, education, degree, etc.) will be subject only treatments aimed at a assessment of your profile for internal recruitment operations with MCT S.r.l. should it be useful for any positions open for employment at our company and a subsequent contact for an interview.

METHOD OF TREATMENT

The treatment will be carried out with manual and/or computerized and telematic tools with organizational and processing logics strictly related to the purposes themselves and in any case in such a way as to guarantee the security, integrity and confidentiality of the data in compliance with organizational and physical measures and logics provided for by the provisions in force.

DATA TRANSFER

MCT S.r.l. informs you that your data, collected directly, will not be transferred.

SHARING AND DISCLOSURE OF INFORMATION

Your data will not be disclosed or published. Your data may be disclosed only in compliance with the legal obligations that provide access to data by the supervisory authorities, and therefore:

- to respond to subpoenas, judicial orders, legal proceedings or any legitimate request by the authorities to whom it is necessary to comply, or to assert or exercise rights or defend oneself in the context of legal actions.
- to share, where deemed necessary, such information for investigative purposes, for preventing or combating illegal activities, alleged frauds, situations of potential danger to the

physical safety of persons, violations of the conditions of use of the services offered on the MCT S.r.l. website or as otherwise required by law.

THE PROCESSING OF DATA FROM THE UNDER 16s

The type of services offered by MCT S.r.l. exclude the interest and need to collect and process personal data of children under 18, therefore, any data or information that is provided to us, if freely, from more than 16 years, will not be processed or preserved but immediately deleted and eliminated.

It is also emphasized that consent is legally valid only if provided by persons with legal capacity.

Herewith, MCT S.r.l. informs you that:

- Spontaneous application

consent is mandatory and that your free and spontaneous submission of your personal Curriculum and related contact data will be considered an express consent based on your wish to submit your application. In the absence of such consent your application will not be taken into consideration. In this regard, please remember to affix to your CV the date, the autograph signature at the bottom of the Curriculum Vitae that authorizes expressly in writing the consent to the treatment. Failing this, it will be our care to request your consent to the processing of data, in the event of a presentation of specific information, in person and at the first possible meeting.

- Request for information and communications

to the e-mail addresses of the site and with requests aimed at obtaining information on the services offered by MCT, will be considered an express consent based on the unequivocal facts represented by the explicit request from you.

- Marketing advertising and commercial communications

consent to treatment is optional. In the face of express refusal, we will not be able to send you any communication of the types described above. It is possible to proceed to the cancellation directly from the mailing list by replying to this email address.

The refusal to consent for treatments for marketing purposes and commercial communications can not in any way invalidate the consent given for different treatments.

MCT S.r.l. . informs you that at any time he may withdraw from the consent by communicating his intention to deny the previously expressed consent, through written communication to the Data Controller in the manner and at the addresses described at the bottom.

DATA RETENTION

Your personal data will be stored for the time necessary for processing or in any case for the entire duration of the same, or until its express cancellation, in the manner indicated in the paragraph below.

The curriculum vitae will be kept for the time necessary for recruiting operations, otherwise not more than 6 months, therefore, a second submission is recommended after 6 months from the first sending, if still interested in the application.

At the end of the processing, or against your explicit request, MCT undertakes to permanently delete or destroy your data and, if explicitly requested, to confirm the cancellation / destruction. Your data may be deleted in part if not all necessary for the purposes of treatment.

CONFIDENTIALITY AND SECURITY

We limit access to your information to our authorized personnel who reasonably need to come into contact with such information, to offer you products or services or to carry out their work duties.

We adopt physical, technical and procedural security measures in accordance with our legal obligations to protect from unauthorized access, loss, destruction, even partial and involuntary information concerning you.

For more information on the rights that you can apply and the methods for requesting it and additional information related to this policy, we report:
